The Times.

didate the desperate and dejected Even-ing Express and a couple of its excited and inflamed correspondents, who drew off a quantity of their surplus bile through its "boiler-plate" columns

anxious efforts to back up the ser-like Express in its quarred with aboring classes, takes the remark-ground that the striking printers their friends, instead of a counting Express for reducing the wages of workmen, should "turn their atten-to the either papers and compsto roise their wayes to the right. That is to say, in order to make rate of wages just, uniform and able all around, the discrepancy of existing should be increased; is," you are a mighty logician a cabeas of such wast prome that you descree to be uncertainty or treasurated.

or of other people's horses. The send and proportion of the result is desired and made a nice affair. Am ontify social could be easily any honest and law-abiding tagman, though it did denounce omnell as a frand, a demagoge and meendary, and no true represente, but a false friend to honest and meendary, and no true represents the send of the fully spon their efforts to establish a foreigners of Cleveland ask that their paper of their own. In other words, they were sun take our medicine without making we can take our medicine without making without making

the mouth, near-present to stir him up any more, lest be but his disordered brains out against the bars of his cage, or but out the place where the brains are supposed to be, as the case may be. So ta, is, "Readers". Go and ile down in the corner of your call and Keeper Oz Bourns, the dragoman, will come along presently with a dish of nice rodent stew for your ravemous stomach.

dish of nice rodent size for your ravemous stomach.

The exapperated Express was never
more unfortunate than when it attempted to raise an issue on the "joboffice" (grisstion, The Express proprietors won't pretend that they employmore force in their "job-office" than
from half a man to a man and a half,
and according to their own boast, they
do not pay their single half-time
man as high a rate of wages,
weekly, as the Truzz-Minson office pays.
And as to the aggregate samount paid
weekly by the respective offices, there
is, of course, no comparison: the
is, of course, no comparison: the
is at the aggregate samount paid
weekly by the respective offices, there
is, of course, no comparison: the
is at the aggregate amount paid
weekly by the respective offices, there
is, of course, no comparison: the

calers in horses to make it appear that the Trans has herefolore, at some un-utated time, been sugaged in a contro-versy with its workmen over the ques-tion of wages. This instinuation is a without foundation. The Trans hav-ing always paid the highest rates, has never had any difficulty with its work-men on account of the second men on account of wages, and no other difficulty with them which it has ever difficulty with them which it or. has not a satisfactory reason to give, and one now conceded to be good by

and one now conceded to be good by nineteen-twentieths of the men con-cerned on the other side. The Express wastes breath and expdess impotent hate for naught in discussing this phase of the ruction.

The TIMES having considered it both

ake the public believe that the Trans
a changed front in its attitude
words the labor movement; that it
idea and chief aim would probably be
coin, but in addition to this feature
it would be easy to incorporate
through the ways work and the

fojave river, near Oro Grande, about toguit at suguet 1, after which it will require at east amount to build the bridge at that joint, so that it is the opinion of parties aniliar with the operations of construction that the road will be in run-pring order about the first of October.

This plassant new watering place, of struction that the road will be in run-pring order about the first of October.

From the best source that we can obtain information, we lears that a round-house will be built at the junction of the california Southers, with the Atlantic and Pacific, also a large depot botel, and if runors are fulfilled, the Carson and Colorado railroad will also connect at that joint, which will, as a maker of course, be the means of starting a small town there.
